DURAKLEN A & DURAKLEN DBS

Cleaner and Degreasing Compound

Description:

DRUAKLEN A is a mild acid based cleaner and degreasing compound whereas **DURAKLEN DBS** is high quality detergent based cleaner and degreasing compound. Both the products are in pale blue liquid form.

Uses :

Rapid removal of cement/mortar stains, grime, oil, grease, algae, moss and wax from tiles, brickwork, concrete, asbestos, privy basin, water sink, ceramic wares etc. Stiff white spots over utensils, bathroom buckets, tubes and bathroom fitting can be briskly removed with our **DURAKLEN A**. cleaning of brickwork and floors in garages, factories, ideal for preparation of concrete surfaces prior to lying of epoxy resin screeds and topping.

Features :

- ❖ **DURAKLEN A** is a multi purpose stain remover and degreaser. **DURAKLEN DBS** is useful only when acidic **DURAKLEN A** is not recommended.
- ❖ Quick removal of stain over various surfaces.

Technical Data :

DRUAKLEN A and **DURAKLEN DBS** are pale blue liquids with viscosity similar to water. Both are modified with active cationic detergents.

Coverage :

Upto 4 sq mtr per ltr depending upon porosity or contamination of the substrates.

Shelf Life :

For best results use them before 12 months from the date of the manufacture. Store in a cool place.

Health & Safety :

Non flammable and non-toxic

Packing :

1 ltr, 5 ltrs, and 20 ltrs plastic containers.

Watch Points :

- ❖ Do not decant **DURAKLEN A** into metal containers.
- ❖ Do not mix other cleaner or chemicals.
- ❖ Project adjacent finishes.
- ❖ For cleaning concrete mixture and other concreting machines/equipments **DURAKLEN A** is most ideal.
- ❖ For specific purpose of surface cleaning, please contact us for our other **DURAKLEN** range of products.

IMPORTANT: Though the product may change with some code as suffix or addendum to the principal or original name out of some minor adjustment and fine tuning in the formulation due to our continuous research and development but shall exhibit the stated properties with more improvement.

WARRANTY: Our high potency products are manufactured under stringent National/International Quality Standard specifications and guaranteed against any manufacturing defect. Suggestions and recommendations are made here based on our most practical experience and exposure over 25 years in the field and are believed to be most appropriate and correct BUT no liability can be accepted by us, as the conditions of use of such products are beyond our control.
